

# 2018 Lithic Material Workshop

Friday, March 2 and Saturday, March 3, 2018  
Historic Fort Snelling Visitor Center, St. Paul, MN

## Call for Papers and Posters

This will be a free two day event including the opportunity to present posters and/or papers on the subject of lithic materials and identification. It is meant to be a relatively informal gathering with plenty of time to visit and share lithic samples and artifacts.

### **Workshop Specifics**

If you want to give a paper or poster, or have a display, we need to know by **February 9, 2018**. We will have a laptop and digital projector available.

#### **Papers**

Deadline to submit a brief description is Friday, February 9, 2018. Papers should be approximately 15 minutes in length with additional time scheduled for discussion after each paper.

#### **Posters**

Deadline to submit a brief description is Friday February 9, 2018. Any reasonable poster size is OK.

#### **Displays**

Deadline to submit a brief description is Friday, February 9, 2018. Let us know if you will need electrical power for your display. Building will be locked overnight for storage purposes.

#### **Lithic Materials Exchange**

If you are planning on bringing a large amount of material please let us know by February 9, 2018 so that we can be sure to arrange enough table space. Additional details to follow.

---

This will be an opportunity to view the ever-growing MHS lithic comparative collection, which now includes many regional lithics.

Participants are encouraged to bring samples of their own comparative collections to confirm identifications. Displays of common regional lithic materials will be available for examination. Bring along your unidentified lithic artifacts for some opinions on material types.
